Disc Golf is played like traditional "ball" golf, but with flying discs instead of balls and clubs. One point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

With pinched fairways and "turtleback greens" Pineland's 7,491' course is a challenging 18 holes with a variety of fun obstacles and varying terrain which follows along the Access and Campus Loop skiing trails. Visit the Outdoor Center for more information.
