Trail Conditions & Difficulty

For up-to-date trail conditions, visit www.PinelandFarms.org

Trails are groomed and tracked, when conditions warrant, for skating and classic skiing.

Difficulty levels vary not only from trail to trail but also in changing weather conditions. Please keep in mind that new snow, ice, and other conditions can make easier trails more difficult. A skier’s own condition and equipment can also affect difficulty.

For your safety, this is a one-way trail network. Please ski in the designated direction.
